- Tropical
- Temperate
- Arid
- Polar

Which treaty governs human activities in the Antarctic Circle?

- Kyoto Protocol
- Antarctic Treaty
- Paris Agreement
- Geneva Convention

What is the approximate latitude of the Antarctic Circle?

- 23.5 degrees south
- 66.5 degrees south

- 90 degrees south
- 45 degrees south

What are the potential consequences of increased human activity in the Antarctic Circle?

How does the Antarctic Circle contribute to scientific research on climate change?

Which of the following countries have research stations in the Antarctic Circle? (Select all that apply)

- United States
- Russia
- Brazil
- India

Which seasons are experienced uniquely within the Antarctic Circle? (Select all that apply)

- Polar day
- Polar night
- Monsoon
- Equinox

Which explorer is known for his expeditions to the Antarctic Circle?

- Marco Polo

- Christopher Columbus
- Roald Amundsen
- Vasco da Gama

Explain the significance of the Antarctic Circle in terms of global climate patterns.

Describe the adaptations that allow penguins to survive in the harsh conditions of the Antarctic Circle.

Discuss the role of international cooperation in preserving the Antarctic Circle's environment.

What are the historical impacts of early exploration missions on our understanding of the Antarctic Circle?

What are some challenges faced by wildlife in the Antarctic Circle? (Select all that apply)

- Extreme cold
- Abundant food supply
- Habitat loss due to ice melt
- Predation by polar bears

Which activities are encouraged by the Antarctic Treaty? (Select all that apply)

- Scientific cooperation
- Military training
- Environmental protection
- Commercial fishing

What are some of the environmental protections in place for the Antarctic Circle? (Select all that apply)

- Ban on mineral mining
- Strict waste management protocols
- Unrestricted tourism
- Protection of native species

Which phenomenon occurs within the Antarctic Circle during summer?

- Continuous darkness
- Continuous daylight
- Equinox
- Monsoon

What is prohibited by the Antarctic Treaty within the Antarctic Circle?

- Scientific research
- Tourism

- Military activity
- Fishing

What are some of the effects of climate change observed in the Antarctic Circle? (Select all that apply)

- Ice sheet melting
- Increased wildlife population
- Rising sea levels
- Warmer temperatures
