| What are the ecological consequences of overfishing in the Atlantic Ocean?        |
|-----------------------------------------------------------------------------------|
|                                                                                   |
|                                                                                   |
|                                                                                   |
|                                                                                   |
|                                                                                   |
| What is the rank of the Atlantic Ocean in terms of size among the world's oceans? |
| ○ First                                                                           |
| ○ Second                                                                          |
| <ul><li>○ Third</li><li>○ Fourth</li></ul>                                        |
| O Fourth                                                                          |
| What are some major features of the Atlantic Ocean? (Select all that apply)       |
| Great Barrier Reef                                                                |
| ☐ Mid-Atlantic Ridge                                                              |
| Sargasso Sea                                                                      |
| Mariana Trench                                                                    |
| Discuss the impact of the Gulf Stream on the climate of Europe.                   |

|                                                                                           | /.             |
|-------------------------------------------------------------------------------------------|----------------|
|                                                                                           |                |
| How does the Atlantic Meridional Overturnng Circulation (AMOC) affect global clin         | nate patterns? |
|                                                                                           |                |
|                                                                                           |                |
|                                                                                           |                |
|                                                                                           |                |
|                                                                                           | /.             |
|                                                                                           |                |
| Which famous ship sank in the Atlantic Ocean in 1912?                                     |                |
| ○ Lusitania                                                                               |                |
| ○ Britannic                                                                               |                |
| ○ Titanic                                                                                 |                |
| ○ Queen Mary                                                                              |                |
| Which mountain range is located underwater in the Atlantic Ocean?                         |                |
| ○ Andes                                                                                   |                |
| O Rocky Mountains                                                                         |                |
| ○ Mid-Atlantic Ridge                                                                      |                |
| ○ Himalayas                                                                               |                |
| Which sea is located within the Atlantic Ocean and is known for its clear blue watereefs? | ers and coral  |
| ○ Mediterranean Sea                                                                       |                |
| ○ Caribbean Sea                                                                           |                |
| O Baltic Sea                                                                              |                |
| ○ Black Sea                                                                               |                |
|                                                                                           |                |

Which ocean current is known for significantly influencing the climate of Western Europe?

| Labrador Current                                                                            |   |
|---------------------------------------------------------------------------------------------|---|
| Oanary Current                                                                              |   |
| ○ Gulf Stream                                                                               |   |
| O Benguela Current                                                                          |   |
|                                                                                             |   |
| Explain the significance of the Mid-Atlantic Ridge in the Atlantic Ocean.                   |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             |   |
| Describe the role of the Atlantic Ocean in the triangular trade during the colonial period. |   |
| besombe the role of the Adultio Ocean in the thangular trade during the colonial period.    |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             | / |
|                                                                                             |   |
|                                                                                             |   |
| Identify and explain two major historical events that took place in the Atlantic Ocean.     |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             |   |
|                                                                                             | 2 |
|                                                                                             |   |
| Which of the following seas are part of the Atlantic Ocean? (Select all that apply)         |   |
| ☐ Mediterranean Sea                                                                         |   |
| Red Sea                                                                                     |   |
| ☐ Caribbean Sea                                                                             |   |
