Which European country was the first to engage in the Atlantic Slave Trade?

- A. Spain
- B. Portugal ✓**
- C. France
- D. Netherlands

Discuss the economic motivations behind the European countries' participation in the Atlantic Slave Trade.

The economic motivations behind European countries' participation in the Atlantic Slave Trade included the demand for cheap labor to maximize profits from cash crops in the Americas, the growth of mercantilism, and the overall enrichment of European economies through trade and colonial exploitation.

Analyze the impact of the abolition movement on the Atlantic Slave Trade. What were some key factors that led to its success?

The abolition movement led to the eventual end of the Atlantic Slave Trade by raising awareness, influencing legislation, and changing public attitudes towards slavery, culminating in laws such as the British Slavery Abolition Act of 1833.

Describe the role of African kingdoms in the Atlantic Slave Trade. How did their involvement impact their societies?

African kingdoms were actively involved in the Atlantic Slave Trade, often engaging in warfare and raids to capture individuals for sale to European traders, which ultimately transformed their social structures and economies.

Explain the significance of the Middle Passage in the context of the Atlantic Slave Trade.

The Middle Passage is significant as it represents the brutal journey of enslaved Africans to the Americas, where they were subjected to inhumane conditions, contributing to the establishment and perpetuation of slavery in the New World.
