What were the main challenges faced by President Kennedy during the Cuban Missile Crisis?

The main challenges faced by President Kennedy during the Cuban Missile Crisis included managing the immediate threat of Soviet nuclear missiles in Cuba, ensuring effective communication and decision-making within his administration, and navigating the delicate balance between military action and diplomatic negotiations to avoid escalation into war.

What lessons were learned from the Cuban Missile Crisis regarding nuclear diplomacy and crisis management?

Key lessons learned include the establishment of direct communication channels (like the 'hotline' between the U.S. and the Soviet Union), the necessity of measured responses to avoid escalation, and the effectiveness of backchannel negotiations in resolving conflicts.

How did the resolution of the Cuban Missile Crisis impact US-Soviet relations in the subsequent years?

The resolution of the Cuban Missile Crisis resulted in a cautious *détente*, with both superpowers recognizing the need for better communication and arms control, but it did not fundamentally change the adversarial nature of their relationship.

Discuss the strategic importance of Cuba in the Cold War and why the Soviet Union placed missiles there.
