Reflect on the ending of the novel. What message do you think Golding is trying to convey with the boys' rescue?

The boys' rescue at the end of the novel highlights the contrast between the savagery they experienced and the return to civilization, emphasizing the theme that the darkness of human nature can emerge even in the absence of societal structures.

Discuss the role of fear in 'Lord of the Flies' and how it affects the boys' behavior.

Fear manifests in various ways throughout 'Lord of the Flies,' influencing the boys' actions and decisions, leading them to irrational behavior, violence, and the eventual collapse of their social structure.

Describe the symbolic significance of the 'scar' on the island.

The 'scar' on the island represents the damage caused by the plane crash, symbolizing the intrusion of civilization into the natural world and the resulting chaos and moral decay that ensues.

Explain how the conch shell loses its power and significance throughout the novel.

The conch shell loses its power and significance as the boys descend into savagery, culminating in its shattering, which represents the complete collapse of order and the triumph of chaos.
