Which river forms the eastern border of Missouri?

- Ohio River
- Mississippi River ✓**
- Missouri River
- Arkansas River

The Mississippi River forms the eastern border of Missouri, serving as a natural boundary between Missouri and the neighboring state of Illinois.

Discuss the cultural impact of music genres such as blues and jazz in Missouri.

- They originated in the East Coast
- They are rooted in Missouri ✓**
- They are primarily classical genres
- They have no cultural significance

Blues and jazz have significantly shaped Missouri's cultural landscape, influencing local music scenes, fostering community identity, and contributing to the broader American music heritage.

Which state does NOT border Missouri?

- Iowa
- Kentucky
- Texas ✓**
- Nebraska

Missouri is bordered by eight states: Iowa, Illinois, Kentucky, Tennessee, Arkansas, Oklahoma, Kansas, and Nebraska. Therefore, any state not listed among these does not border Missouri, such as Florida.

Identify and explain the importance of a major historical event that took place in Missouri.

- It was a failed expedition
- It was crucial for exploration ✓
- It had no impact on history
- It was only about trade

The Missouri Compromise of 1820 was a significant event that aimed to maintain the balance of power between slave and free states in the United States. It established Missouri as a slave state and Maine as a free state, highlighting the growing tensions over slavery that would eventually lead to the Civil War.

What is a major agricultural product of Missouri?

- Rice
- Corn ✓
- Coffee
- Bananas

Missouri is known for its significant production of soybeans, which is one of the state's major agricultural products. The state also produces corn, wheat, and livestock, but soybeans are particularly prominent in its agricultural output.
