Describe a situation where a rhetorical question might be used effectively. Why is a question mark appropriate in this context?

In a persuasive speech about environmental conservation, a speaker might ask, 'Isn't it time we took action to protect our planet for future generations?' This rhetorical question engages the audience and encourages them to consider their responsibility, making the question mark appropriate to highlight the inquiry.

Discuss the role of question marks in clarifying intonation in written language. How does this differ from spoken language?

In written language, question marks clarify that a sentence is interrogative, guiding the reader to interpret the intended rising intonation. In contrast, spoken language relies on vocal tone and inflection to convey the same meaning, making punctuation less essential.
