Which of the following sentences correctly uses a question mark?

- I wonder what time it is?
- What time is it? ✓**
- I hope you can come?
- She said she was leaving?

A question mark is used at the end of a sentence that poses a question. Therefore, the correct sentence will be the one that asks something directly.

Which of the following sentences correctly use a question mark? (Select all that apply)

- What is your favorite color? ✓**
- I wonder if she will come?
- Can you believe it? ✓**
- He asked, "Are you okay?" ✓**

A question mark is used at the end of a sentence that poses a question. Therefore, sentences that are interrogative in nature should be selected as correct uses of a question mark.

Identify the sentences that should end with a question mark. (Select all that apply)

- Where did you go? ✓**
- I can't believe it
- What time is it? ✓**
- She said she was leaving

Sentences that express inquiries or seek information should end with a question mark. Identifying these sentences is crucial for proper punctuation and clarity in communication.

How should a question mark be used with quotation marks when the entire sentence is a question?

- Inside the quotation marks ✓**
- Outside the quotation marks
- It depends on the context
- It should not be used

When the entire sentence is a question, the question mark should be placed outside the quotation marks if the quoted material itself is not a question. For example: Did she really say, "I will go to the store"?

Which of the following is not a correct use of a question mark?

- At the end of a direct question
- In a declarative sentence ✓**
- After a rhetorical question
- In a tag question

A question mark is not correctly used at the end of a statement that is not a question. It should only be used to indicate a direct question or an interrogative sentence.

Why is it incorrect to use a question mark in the sentence "I wonder if he will come?"? Rewrite the sentence correctly.

I wonder if he will come.

Which of the following are examples of indirect questions? (Select all that apply)

- I wonder where she went. ✓**
- Do you know what time it is?
- Can you tell me how to get there?
- She asked if I was coming. ✓**

Indirect questions are those that do not directly ask for information but instead imply a request for information. Examples include phrases like 'Could you tell me...' or 'I wonder if...'

Create a short dialogue using at least three direct questions and explain the placement of question marks in your dialogue.

A: Hey, how are you today? B: I'm good, thanks! How about you? A: I'm doing well! What are your plans for the weekend?

What punctuation is used at the beginning of a question in Spanish?

- A regular question mark
- An inverted question mark ✓**
- A period
- A comma

In Spanish, an inverted question mark (¿) is used at the beginning of a question, in addition to the standard question mark (?) at the end.

How does the use of question marks differ in English compared to Spanish? Provide examples to illustrate your point.

The use of question marks in English differs from Spanish in that English uses a single question mark at the end of a question, while Spanish uses an inverted question mark at the beginning and a regular question mark at the end.

Where should a question mark be placed in a direct question?

- At the beginning of the sentence
- In the middle of the sentence
- At the end of the sentence ✓**
- It should not be used

A question mark should be placed at the end of a direct question to indicate that an inquiry is being made.

When should a question mark be used with quotation marks? (Select all that apply)

- When the quoted material is a question ✓**
- When the entire sentence is a question ✓**
- When neither the quote nor the sentence is a question
- When the sentence is a statement

A question mark should be used with quotation marks when the quoted material itself is a question, or when the entire sentence is a question that includes quoted material.

Which of the following sentences are correctly punctuated with question marks? (Select all that apply)

- Did you finish your homework? ✓**
- I can't believe it's raining?
- What did she say? ✓**
- She asked, "Are you coming?" ✓**

Correctly punctuated sentences with question marks typically include direct questions. It's important to identify which sentences are phrased as inquiries to select the appropriate ones.

Explain the difference between a direct question and an indirect question. Provide examples of each.

A direct question is one that asks for information clearly and directly, such as "What time is the meeting?" An indirect question, on the other hand, is phrased in a way that is less direct, such as "Could you tell me what time the meeting is?"

Which of the following is an example of a rhetorical question?

- How are you today?
- What time is the meeting?
- Who knew? ✓
- Can you help me with this?

A rhetorical question is a question asked for effect or to make a point rather than to elicit an answer. An example would be, 'Isn't it a bit too late to start worrying now?'

In which scenarios should a question mark be used? (Select all that apply)

- At the end of a direct question ✓
- After a polite request
- In a rhetorical question ✓
- After an indirect question

A question mark should be used at the end of direct questions, rhetorical questions, and when seeking clarification. It is not used in statements or commands.

Which sentence requires a question mark?

- She asked if I was coming
- What are you doing ✓
- I can't believe it
- He said it was raining

A sentence that asks for information or clarification typically requires a question mark. For example, 'What time is the meeting?' is a sentence that needs a question mark at the end.

In which of the following sentences is the question mark incorrectly used?

- Did you see the movie?
- I wonder if he will come? ✓
- What is your name?
- Are you ready?

The question mark is incorrectly used in sentence B, where it is not a direct question but rather a statement. Proper punctuation should reflect the nature of the sentence, and a period would be more appropriate in that context.

Describe a situation where a rhetorical question might be used effectively. Why is a question mark appropriate in this context?

In a persuasive speech about environmental conservation, a speaker might ask, 'Isn't it time we took action to protect our planet for future generations?' This rhetorical question engages the audience and encourages them to consider their responsibility, making the question mark appropriate to highlight the inquiry.

Discuss the role of question marks in clarifying intonation in written language. How does this differ from spoken language?

In written language, question marks clarify that a sentence is interrogative, guiding the reader to interpret the intended rising intonation. In contrast, spoken language relies on vocal tone and inflection to convey the same meaning, making punctuation less essential.
