- B. La casa
- C. El perro
- D. La mesa

Identify a noun that is an exception to the typical gender rules and explain why it is an exception.

El día

Explain the significance of gender in Spanish nouns and how it affects sentence structure.

Gender in Spanish nouns is significant because it determines the agreement of articles and adjectives, affecting sentence structure. For example, a masculine noun like 'el libro' (the book) requires the masculine article 'el' and can be modified by masculine adjectives, while a feminine noun like 'la casa' (the house) uses the feminine article 'la' and feminine adjectives.

Which of the following articles are used for masculine nouns? (Select all that apply)

- A. El ✓
- B. La
- C. Los ✓
- D. Las

Which of the following nouns are feminine? (Select all that apply)
