#### What is the Spanish question word for "Where"?

- Cuando
- Dónde** ✓
- Cómo
- Por qué

The Spanish question word for "Where" is "Dónde." This word is commonly used to inquire about the location of something or someone.

#### In the question "¿\_\_\_\_\_ es tu color favorito?", which word correctly completes the sentence?

- Qué
- Cuál** ✓
- Quién
- Cuánto

The correct word to complete the sentence is 'Cuál', making the full question '¿Cuál es tu color favorito?'. This translates to 'What is your favorite color?' in English.

#### Which question word is used to inquire about time?

- Cuándo** ✓
- Quién
- Dónde
- Cómo

The question word used to inquire about time is 'when.' It is commonly used to ask about specific moments or periods in time.

#### Which question words are used to inquire about people? (Select all that apply)

- Quién** ✓
- Cuánto
- Quiénes** ✓
- Cuál

The question words used to inquire about people include 'who' and 'whose'. These words are specifically designed to gather information about individuals or their relationships.

#### In which contexts would you use "Cuál"? (Select all that apply)

- Asking for a definition
- Choosing between options** ✓
- Asking about a person's identity
- Inquiring about preferences** ✓

"Cuál" is used in contexts where a choice is being made among a set of options, such as asking for specific information or preferences. It is commonly used in questions that require a selection from multiple items or categories.

#### Which of the following question words can be used to ask about quantity? (Select all that apply)

- Cuánto** ✓
- Cuántos** ✓
- Cuánta** ✓
- Cuáles

The question words that can be used to ask about quantity include 'how many' and 'how much.' These phrases are specifically designed to inquire about the amount or number of something.

#### Which question words are typically placed at the beginning of a question in Spanish? (Select all that apply)

- Qué** ✓
- Dónde** ✓
- Cómo** ✓
- Cuándo** ✓

In Spanish, common question words that are typically placed at the beginning of a question include 'qué' (what), 'quién' (who), 'cuándo' (when), 'cómo' (how), 'por qué' (why), and 'cuánto' (how much/many). These words help to form interrogative sentences and seek specific information.

**What is the Spanish question word for "How"?**

- Cuándo
- Dónde
- Cómo** ✓
- Qué

The Spanish question word for "How" is "¿Cómo?". This word is commonly used to inquire about the manner or condition of something.

**Explain the difference between "Qué" and "Cuál" when used in questions.**

**"Qué" translates to "what" and is used for asking for information or clarification, whereas "Cuál" translates to "which" and is used when selecting from a known set of options.**

**Describe a common mistake learners make when using "Cuánto" and how to avoid it.**

**Learners often mistakenly use "Cuánto" with countable nouns, instead of using "Cuántos". To avoid this, always check if the noun is countable or uncountable.**

**How does the placement of accents affect the meaning of Spanish question words? Provide examples.**

Accents on Spanish question words indicate they are being used interrogatively. For instance, 'qué' means 'what' in a question, while 'que' means 'that' in a statement.

Provide an example sentence using "Por qué" and explain its context.

"¿Por qué no viniste a la fiesta?"

Which Spanish question word is used to ask about a person's identity?

- Qué
- Cuál
- Quién ✓
- Cuándo

The Spanish question word used to ask about a person's identity is '¿Quién?'. This word is commonly used to inquire about who someone is.

Which of the following question words have accents that distinguish them from non-interrogative words? (Select all that apply)

- Qué ✓
- Cuál ✓
- Como
- Donde

In Spanish, the question words 'qué', 'cuándo', 'cómo', 'cuánto', and 'quién' have accents that distinguish them from their non-interrogative forms. These accents indicate that the words are being used to ask questions rather than making statements.

**Which question words require agreement in gender and number? (Select all that apply)**

- Cuánto** ✓
- Quién
- Cuántos** ✓
- Cuáles

In many languages, question words such as 'who', 'which', and 'what' require agreement in gender and number with the nouns they refer to. This means that the form of the question word may change depending on the gender (masculine, feminine) and number (singular, plural) of the subject.

**What is the correct question word to use when asking "How many apples are there?" in Spanish?**

- Cuánto
- Cuántos** ✓
- Cuánta
- Cuáles

In Spanish, the correct question word to use when asking about quantity is "cuántos." Therefore, the phrase "How many apples are there?" translates to "¿Cuántas manzanas hay?"

**Which question word would you use to ask for a reason in Spanish?**

- Cuánto
- Qué
- Por qué** ✓
- Dónde

In Spanish, the question word used to ask for a reason is 'por qué.' This phrase translates to 'why' in English and is commonly used to inquire about the cause or justification for something.

**Discuss how cultural context might influence the use of question words in different Spanish-speaking regions.**

**Cultural context influences the use of question words in Spanish-speaking regions by affecting the formality, structure, and frequency of certain question words, leading to variations in communication styles.**

**Which question word would you use to ask "What is your name?" in Spanish?**

- Cuál
- Qué ✓**
- Quién
- Cómo

In Spanish, the question word used to ask "What is your name?" is "¿Cuál?". This word is commonly used to inquire about someone's identity or specific information.

**Create a short dialogue using at least three different Spanish question words and translate it into English.**

**Diálogo en español: A: ¿Qué quieres comer esta noche? B: No sé, ¿cómo te gustaría preparar la cena? A: Tal vez podríamos hacerla a las siete, ¿cuándo te parece bien? Translation in English: A: What do you want to eat tonight? B: I don't know, how would you like to prepare dinner? A: Maybe we could make it at seven, when does that sound good to you?**
