What challenges does the United Nations face in achieving its goals, and what reforms have been proposed?

The challenges the United Nations faces in achieving its goals include geopolitical conflicts among member states, inadequate funding and resources, bureaucratic inefficiencies, and the need for reform in its decision-making processes. Proposed reforms include restructuring the Security Council to better reflect current global dynamics, increasing transparency and accountability, and enhancing the effectiveness of peacekeeping missions.

Describe the role of the UN General Assembly and how it differs from the Security Council.

The UN General Assembly is a forum for all member states to discuss and coordinate on international issues, while the Security Council has the authority to make binding decisions regarding peace and security, including the use of force and sanctions.

Discuss the importance of the Universal Declaration of Human Rights adopted by the United Nations.

The Universal Declaration of Human Rights, adopted by the United Nations in 1948, is important because it sets forth fundamental human rights that are to be universally protected, serving as a foundation for international human rights law and inspiring movements for civil rights and social justice worldwide.
