The mountain goat.

Which animal is known for its ability to dig tunnels?

The rabbit.

What animal is known for its ability to hunt in packs?

The wolf.

Which animal is known for its ability to swim in icy waters?

The penguin.

What animal is known for its ability to produce milk?

The cow.

Which animal is known for its ability to glide through the air?

The flying squirrel.

What animal is known for its ability to survive in deserts?

The camel.

Which animal is known for its ability to hunt at night?

The owl.

What animal is known for its ability to build nests?

The bird.

Which animal is known for its ability to change its shape?

The jellyfish.

What animal is known for its ability to produce venom?

The snake.

Which animal is known for its ability to swim long distances?

The dolphin.

What animal is known for its ability to climb trees?

The koala.

Which animal is known for its ability to run on sand?

The sand grouse.

What animal is known for its ability to survive in cold climates?

The polar bear.

Which animal is known for its ability to produce silk?

The silkworm.

What animal is known for its ability to mimic other animals?

The lyrebird.

Which animal is known for its ability to hunt in the dark?

The bat.

What animal is known for its ability to produce light?

The firefly.

Which animal is known for its ability to swim in rivers?

The otter.

What animal is known for its ability to jump high?

The kangaroo.

Which animal is known for its ability to run fast?

The cheetah.

What animal is known for its ability to survive in extreme conditions?

The tardigrade.

Which animal is known for its ability to produce honey?

The honeybee.

What animal is known for its ability to glide through the air?

The flying fish.

Which animal is known for its ability to camouflage?

The cuttlefish.

What animal is known for its ability to survive without food for long periods?

The crocodile.

Which animal is known for its ability to produce milk?

The goat.

What animal is known for its ability to run on ice?

The arctic fox.

Which animal is known for its ability to swim in the ocean?

The shark.

What animal is known for its ability to climb cliffs?

The mountain goat.

Which animal is known for its ability to dig deep burrows?

The rabbit.

What animal is known for its ability to hunt in the water?

The crocodile.

Which animal is known for its ability to produce eggs?

The chicken.

What animal is known for its ability to survive in the wild?

The wild boar.

Which animal is known for its ability to run on grass?

The horse.

What animal is known for its ability to produce feathers?

The bird.

Which animal is known for its ability to swim in lakes?

The beaver.

What animal is known for its ability to climb trees?

The monkey.

Which animal is known for its ability to run on dirt?

The dog.

What animal is known for its ability to produce fur?

The cat.

Which animal is known for its ability to survive in the jungle?

The jaguar.

What animal is known for its ability to hunt in packs?

The lion.

Which animal is known for its ability to swim in rivers?

The otter.

What animal is known for its ability to produce wool?

The sheep.

Which animal is known for its ability to run on pavement?

The dog.

What animal is known for its ability to survive in the Arctic?

The polar bear.

Which animal is known for its ability to produce eggs?

The duck.

What animal is known for its ability to climb mountains?

The mountain goat.

Which animal is known for its ability to swim in the ocean?

The dolphin.
