### Part 1: Building a Foundation

---

**Which of the following is an essential piece of camping equipment?**

*Hint: Think about what you need to stay safe and comfortable while camping.*

- A) Television
- B) Tent
- C) Refrigerator
- D) Sofa

**Which of the following are important factors to consider when selecting a campsite? (Select all that apply)**

*Hint: Consider the environment and your needs.*

- A) Proximity to water sources
- B) Presence of wildlife
- C) Availability of Wi-Fi
- D) Terrain and elevation

**Explain the purpose of the Leave No Trace principles in camping.**

*Hint: Think about how these principles help the environment.*

**List two basic first aid skills that are important for camping.**

*Hint: Consider skills that can help in emergencies.*

1. First Aid Skill 1

2. First Aid Skill 2

**What is the primary goal of practicing outdoor ethics while camping?**

*Hint: Think about the impact of camping on nature.*

- A) To save money
- B) To impress other campers
- C) To protect the environment
- D) To have more fun

## Part 2: Comprehension and Application

---

**Why is it important to check the weather forecast before going camping?**

*Hint: Consider how weather affects your camping experience.*

- A) To decide what clothes to pack
- B) To plan your route
- C) To ensure safety and preparedness
- D) To avoid boredom

**Which of the following actions align with the Leave No Trace principles? (Select all that apply)**

*Hint: Think about responsible camping practices.*

- A) Disposing of waste properly
- B) Feeding wildlife
- C) Leaving what you find
- D) Building permanent structures

**Describe how you would use a map and compass to navigate to a new campsite.**

*Hint: Think about the steps involved in navigation.*

**You are planning a camping trip in a forest area. Which cooking method would be most appropriate?**

*Hint: Consider the resources available in a forest.*

- A) Microwave
- B) Campfire
- C) Portable gas stove
- D) Electric oven

**You encounter a bear while hiking to your campsite. What should you do? (Select all that apply)**

*Hint: Think about safety and wildlife interactions.*

- A) Run away quickly
- B) Make yourself look larger
- C) Speak calmly and back away slowly
- D) Offer it food

**Imagine you are camping in an area with a high risk of thunderstorms. How would you prepare for this situation?**

*Hint: Consider safety measures and equipment.*

### Part 3: Analysis, Evaluation, and Creation

---

**Which of the following scenarios best illustrates a violation of camping etiquette?**

*Hint: Think about how your actions affect others.*

- A) Quietly reading a book in your tent
- B) Playing loud music late at night
- C) Cooking meals on a portable stove
- D) Observing wildlife from a distance

**Analyze the potential impacts of not following Leave No Trace principles. Which of the following are likely consequences? (Select all that apply)**
