What is the purpose of a driver's license?

A driver's license serves as legal permission for an individual to operate a motor vehicle on public roads.

What should you do if you see a school bus with its stop sign extended?

You must stop your vehicle at least 20 feet away from the bus until the stop sign is retracted and the bus begins moving.

What does a solid yellow line on your side of the road indicate?

A solid yellow line indicates that passing is not allowed.

What is the legal blood alcohol concentration (BAC) limit for drivers over 21 in most states?

The legal BAC limit for drivers over 21 in most states is 0.08%.

What should you do if you are involved in a minor accident?

You should check for injuries, call the police if necessary, exchange information with the other driver, and document the scene.

What does a flashing red traffic light mean?

A flashing red traffic light means you must come to a complete stop and proceed only when it is safe to do so.

What is the correct hand signal for a left turn?

The correct hand signal for a left turn is to extend your left arm straight out.

What should you do if you encounter a pedestrian in a crosswalk?

You must yield the right of way to the pedestrian.

What is the purpose of the 'three-second rule' in driving?

The 'three-second rule' helps drivers maintain a safe following distance from the vehicle in front of them.

What does a yield sign indicate?

A yield sign indicates that you must slow down and yield to any oncoming traffic or pedestrians.
