What is the purpose of a driving test?

The purpose of a driving test is to assess a driver's ability to operate a vehicle safely and to ensure they understand the rules of the road.

What should you do if you approach a red traffic light?

You must come to a complete stop at the stop line or before entering the intersection.

What does a yellow traffic light indicate?

A yellow traffic light indicates that the light is about to turn red, and you should prepare to stop.

What is the legal blood alcohol concentration (BAC) limit for drivers over 21 in most states?

The legal BAC limit for drivers over 21 in most states is 0.08%.

What should you do if you are involved in a minor accident?

You should check for injuries, call the police if necessary, exchange information with the other driver, and document the scene.

What is the correct hand position on the steering wheel?

The correct hand position on the steering wheel is at the 9 and 3 o'clock positions.

When should you use your turn signals?

You should use your turn signals when changing lanes, turning, or merging.

What is the speed limit in a residential area unless otherwise posted?

The speed limit in a residential area is typically 25 mph unless otherwise posted.

What does a stop sign mean?

A stop sign means you must come to a complete stop and yield to any oncoming traffic or pedestrians.

What should you do if you see an emergency vehicle with flashing lights?

You should pull over to the right side of the road and stop until the emergency vehicle has passed.
