What are the parts of a guitar?

The main parts of a guitar include the body, neck, headstock, strings, frets, and bridge.

What is the standard tuning for a guitar?

The standard tuning for a guitar from the lowest string to the highest is E, A, D, G, B, E.

What is a chord?

A chord is a combination of three or more notes played together.

What is the difference between an acoustic and an electric guitar?

An acoustic guitar produces sound acoustically through its hollow body, while an electric guitar uses electronic pickups to amplify sound.

What is a scale in music?

A scale is a series of notes in a specific order, typically used as a basis for melodies and harmonies.

What is a fretboard?

The fretboard is the part of the guitar neck where the frets are located, allowing players to change the pitch of the strings.

What does it mean to 'strum' a guitar?

To strum a guitar means to brush the strings with a pick or fingers to produce sound.

What is a capo?

A capo is a device used on the neck of a guitar to raise the pitch of the strings.

What are power chords?

Power chords are two-note chords typically consisting of the root note and the fifth, commonly used in rock music.

What is fingerstyle playing?

Fingerstyle playing is a technique where the guitarist uses their fingers to pluck the strings instead of a pick.
