What is a heart word?

A heart word is a word that is important to a child's reading and writing development, often because it cannot be sounded out phonetically.

Give an example of a heart word.

An example of a heart word is 'the'.

Why are heart words important?

Heart words are important because they help children recognize high-frequency words quickly, improving their reading fluency.

How can heart words be taught?

Heart words can be taught through flashcards, repetition, and using them in context during reading and writing activities.

What is the difference between heart words and regular words?

Heart words are words that cannot be easily decoded using phonetic rules, while regular words can typically be sounded out.
