Part 1: Building a Foundation

Which of the following is a reflexIVE pronoun in Spanish?

Hint: Think about the pronouns that refer back to the subject.

- A) él
- B) me ✓
- C) tú
- D) nosotros

■ The correct answer is B) me, which is a reflexIVE pronoun.

Select all the reflexIVE pronouns from the options below:

Hint: Look for pronouns that indicate the action is performed on the subject itself.

- A) se ✓
- B) nos ✓
- C) le
- D) os ✓

■ The correct answers are A) se, B) nos, and D) os.

Define what a reflexIVE verb is in Spanish and provide an example.

Hint: Consider how the action of the verb reflects back to the subject.

A reflexIVE verb is one where the subject performs the action on itself. An example is 'lavarse' (to wash oneself).

List the reflexIVE pronouns that correspond to the following subjects:

Hint: Think about the pronouns that match each subject.

1. Yo:

| me

2. Tu:

| te

3. Ellos:

| se

| Yo: me, Tú: te, Ellos: se.

Which sentence correctly uses a reflexIVE verb?

Hint: Look for the sentence where the subject performs the action on itself.

- A) Yo lavo el coche.
- B) Tú te lavas las manos. ✓

- C) Ella come una manzana.
 D) Nosotros leemos un libro.

| The correct answer is B) Tú te lavas las manos, which uses a reflexIVE verb correctly.

Part 2: Application and Analysis

Conjugate the reflexIVE verb 'acostarse' in the present tense for the following subjects:

Hint: Remember to include the correct reflexIVE pronoun with each conjugation.

1. Yo:

| me acuesto

2. Nosotros:

| nos acostamos

3. Ellos:

| se acuestan

| Yo: me acuesto, Nosotros: nos acostamos, Ellos: se acuestan.

Create a short paragraph describing your daily routine using at least three reflexIVE verbs.

Hint: Think about the actions you do to yourself throughout the day.

The paragraph should include at least three reflexIVE verbs and describe a daily routine.

Analyze the following sentences and identify which are reflexIVE and why:

Hint: Consider if the subject is performing the action on itself.

- A) Yo me levanto a las siete. ✓**
- B) Tú ves la televisión.
- C) Ellos se acuestan tarde. ✓**
- D) Nosotros nos hablamos. ✓**

The reflexIVE sentences are A) Yo me levanto a las siete, C) Ellos se acuestan tarde, and D) Nosotros nos hablamos.

Discuss how the meaning of a sentence changes when a verb is used reflexively versus non-reflexively. Provide examples to support your analysis.

Hint: Think about the difference in action direction.

The meaning changes as reflexIVE verbs indicate the subject acts on itself, while non-reflexIVE verbs indicate actions directed towards others. Examples should illustrate this difference.

Part 3: Evaluation and Creation

Evaluate the importance of reflexIVE verbs in Spanish communication. Why are they essential for expressing certain actions?

Hint: Consider the role of reflexIVE verbs in daily conversations.

ReflexIVE verbs are essential for expressing actions that the subject performs on itself, which is crucial for clarity in communication.

Which of the following best describes the function of reflexIVE verbs in Spanish?

Hint: Consider what reflexIVE verbs indicate about the subject's actions.

- A) They indicate actions performed by others.
- B) They show possession.
- C) They express actions done by the subject to themselves. ✓
- D) They replace direct object pronouns.

The correct answer is C) They express actions done by the subject to themselves.

Create a short story or dialogue using at least five different reflexIVE verbs. Ensure the context clearly shows the reflexIVE nature of the actions.

Hint: Think about a narrative that involves self-directed actions.

The story or dialogue should include at least five reflexIVE verbs and clearly demonstrate their reflexIVE nature.
