What are sight words?

Sight words are commonly used words that children are encouraged to recognize without having to sound them out.

Why are sight words important?

Sight words are important because they help children read more fluently and improve their reading comprehension.

How can flashcards help with learning sight words?

Flashcards can help with learning sight words by providing a visual aid that reinforces memory and recognition.

What is a common method for practicing sight words with flashcards?

A common method is to show the flashcard, say the word aloud, and then have the child repeat it.

Can sight words vary by grade level?

Yes, sight words can vary by grade level, with different lists of words introduced at each stage of learning.
