What is a sight word?

A sight word is a word that is recognized immediately without having to sound it out.

Why are sight words important?

Sight words are important because they help children read more fluently and understand text better.

Can you name three common sight words?

Three common sight words are 'the', 'and', and 'is'.

How can flashcards help with learning sight words?

Flashcards can help with learning sight words by providing a visual aid for memorization and practice.

What is one method to practice sight words using flashcards?

One method to practice sight words using flashcards is to show the front of the card and have the child say the word before flipping it over to check their answer.
