What is a stock?

A stock is a type of security that gives stockholders a share of ownership in a company.

What is the stock market?

The stock market is a collection of markets where stocks (shares of ownership in businesses) are bought and sold.

What is a stock exchange?

A stock exchange is a marketplace where stocks are bought and sold, such as the New York Stock Exchange (NYSE) or NASDAQ.

What is a dividend?

A dividend is a payment made by a corporation to its shareholders, usually in the form of cash or additional shares.

What is market capitalization?

Market capitalization is the total market value of a company's outstanding shares of stock, calculated by multiplying the share price by the total number of shares.

What is a bull market?

A bull market is a financial market in which prices are rising or are expected to rise.

What is a bear market?

A bear market is a financial market in which prices are falling or are expected to fall.

What is an IPO?

An IPO, or Initial Public Offering, is the process by which a private company offers shares to the public for the first time.

What is a portfolio?

A portfolio is a collection of financial investments like stocks, bonds, commodities, and cash.

What is diversification?

Diversification is the practice of spreading investments across various financial assets to reduce risk.
