- A) Happiness
- A) Quickly

**Describe what happens in the water cycle. Use words like "evaporation" and "rain."**

*Hint: Think about how water moves in nature.*

**Describe what happens in the water cycle. Use words like 'evaporation' and 'rain.'**

*Hint: Think about the stages of the water cycle.*

**Describe what happens in the water cycle. Use words like 'evaporation' and 'rain.'**

*Hint: Think about the stages of the water cycle.*

**What is the value of the digit 7 in the number 572?**

*Hint: Consider the place value of the digit.*

- 7
- 70
- 700
- 7000

**What is the value of the digit 7 in the number 572?**

*Hint: Consider the place value of the digit.*

- A) 7
- A) 70
- A) 700
- A) 7000

**What is the value of the digit 7 in the number 572?**

*Hint: Consider the place value of the digit.*

- A) 7
- A) 70

- A) 700
- A) 7000

## Part 2: Understanding and Application

---

### Why do we have seasons?

*Hint: Think about Earth's position in space.*

- Because of the moon's phases
- Because of Earth's tilt and orbit around the sun
- Because of the stars
- Because of the ocean tides

### Why do we have seasons?

*Hint: Think about Earth's position relative to the sun.*

- A) Because of the moon's phases
- A) Because of Earth's tilt and orbit around the sun
- A) Because of the stars
- A) Because of the ocean tides

### Why do we have seasons?

*Hint: Think about Earth's position in space.*

- A) Because of the moon's phases
- A) Because of Earth's tilt and orbit around the sun
- A) Because of the stars
- A) Because of the ocean tides

### Which of the following are reasons why plants need sunlight? (Select all that apply)

*Hint: Consider the processes plants use to survive.*

- To make food
- To grow taller
- To stay warm
- To breathe

**Which of the following are reasons why plants need sunlight? (Select all that apply)**

*Hint: Consider the processes plants use to survive.*

- A) To make food
- A) To grow taller
- A) To stay warm
- A) To breathe

**Which of the following are reasons why plants need sunlight? (Select all that apply)**

- A) To make food
- A) To grow taller
- A) To stay warm
- A) To breathe

**Imagine you are planning a birthday party. Write a list of three things you need to organize the party.**

*Hint: Think about what is essential for a party.*

**Imagine you are planning a birthday party. Write a list of three things you need to organize the party.**

*Hint: Think about the essentials for a party.*

**Imagine you are planning a birthday party. Write a list of three things you need to organize the party.**

*Hint: Think about the essentials for a party.*

**If you have 3 apples and you buy 4 more, how many apples do you have in total?**

*Hint: Add the number of apples you have to the number you bought.*

- 6
- 7
- 8
- 9

**If you have 3 apples and you buy 4 more, how many apples do you have in total?**

*Hint: Think about adding quantities together.*

- A) 6
- A) 7
- A) 8
- A) 9

**If you have 3 apples and you buy 4 more, how many apples do you have in total?**

*Hint: Think about addition again.*

- A) 6
- A) 7
- A) 8
- A) 9

### **Part 3: Analysis, Evaluation, and Creation**

---

**Which of the following best explains why some animals hibernate?**

*Hint: Think about the reasons animals might need to sleep for a long time.*

- To avoid predators
- To find more food
- To survive cold weather
- To migrate to warmer places

**Which of the following best explains why some animals hibernate?**

*Hint: Consider the reasons animals might need to rest.*

- A) To avoid predators
- A) To find more food
- A) To survive cold weather
- A) To migrate to warmer places

**Which of the following best explains why some animals hibernate?**

*Hint: Consider the reasons animals might need to rest.*

- A) To avoid predators
- A) To find more food
- A) To survive cold weather
- A) To migrate to warmer places

**What are some effects of not getting enough sleep? (Select all that apply)**

*Hint: Consider how sleep affects your body and mind.*

- Feeling tired
- Having more energy
- Difficulty concentrating
- Improved memory

**What are some effects of not getting enough sleep? (Select all that apply)**

*Hint: Think about how sleep affects your body and mind.*

- A) Feeling tired
- A) Having more energy
- A) Difficulty concentrating

- A) Improved memory

**What are some effects of not getting enough sleep? (Select all that apply)**

*Hint: Think about how sleep affects your body and mind.*

- A) Feeling tired  
 A) Having more energy  
 A) Difficulty concentrating  
 A) Improved memory

**Compare and contrast a city and a village. What are two similarities and two differences?**

*Hint: Think about the characteristics of both places.*

**Compare and contrast a city and a village. What are two similarities and two differences?**

*Hint: Think about the characteristics of each place.*

**Compare and contrast a city and a village. What are two similarities and two differences?**

*Hint: Think about the characteristics of each place.*

**Which of the following is the best way to solve a disagreement with a friend?**

*Hint: Consider how to communicate effectively.*

- Ignore them
- Talk it out calmly
- Yell at them
- Tell everyone about it

**Which of the following is the best way to solve a disagreement with a friend?**

*Hint: Think about communication strategies.*

- A) Ignore them
- A) Talk it out calmly
- A) Yell at them
- A) Tell everyone about it

**Which of the following is the best way to solve a disagreement with a friend?**

*Hint: Consider how to communicate effectively.*

- A) Ignore them
- A) Talk it out calmly
- A) Yell at them
- A) Tell everyone about it

**Which of the following are good ways to reduce waste? (Select all that apply)**

*Hint: Think about actions that help the environment.*

- Recycle plastic bottles
- Throw everything in the trash
- Compost food scraps
- Use reusable bags

**Which of the following are good ways to reduce waste? (Select all that apply)**

*Hint: Consider actions that help the environment.*

- A) Recycle plastic bottles
- A) Throw everything in the trash
- A) Compost food scraps
- A) Use reusable bags

**Which of the following are good ways to reduce waste? (Select all that apply)**

*Hint: Think about actions that help the environment.*

- A) Recycle plastic bottles
- A) Throw everything in the trash
- A) Compost food scraps
- A) Use reusable bags

**Design a simple invention that could help people in your community. Describe what it does and how it works.**

*Hint: Think creatively about a problem you can solve.*

**Design a simple invention that could help people in your community. Describe what it does and how it works.**

*Hint: Think about needs in your community.*

**Design a simple invention that could help people in your community. Describe what it does and how it works.**

*Hint: Think about needs in your community.*
